Dear ASR Laboratory Researchers & Parents:

Please find below the Science Events and Symposia which we are welcome to attend or hope to be selected for attendance this coming year:

OHS STEMposium & Family Fun Night – Odessa, WA	February 20, 2018
Mid-Columbia Regional Science & Engineering Fair – Kennewick, WA	March 15, 2018
WA State Science & Engineering Fair – Bremerton, WA	March 23-24, 2018
* International Sustainability (Energy, Engineering, Enivro) – Houston, TX	May, 2018
* International Science & Engineering Fair – Pittsburgh, PA	May 13-18, 2018
* Genius Olympiad – Oswego, NY	June 11-16, 2018

Remember that the events above that have an asterisks are by invitation only (or submitted selection). All other events are expected to attend (understanding there may be unfortunate conflicts).

Please check and update your calendars and email, call, or text if you have any comments or concerns.

Cheers!

Jeffery R. Wehr

Odessa High School Science Department; Advanced STEM Research Laboratory Principal Mentor
Presidential Award for Mathematics and Science Teaching
National Siemens Founders Award for STEM Research
US Department Of Education American Star of Teaching Award
WA State Teacher of the Year Finalist
